

14th Sheffield (Grenoside) Cubs
Tuesday, 06 April 2004

Dear Glyn,

The cubs, Carl and myself would like to thank you for the boxing demonstration that you put on for us last week. The cubs thought that it was the best programme they had had for a long time and they learnt much more about the sport than if we had just given them some information on paper. One cub said it was the best night of his life!

Our thanks also to Lee, Sam, Ricky, Jay and Ant (hope I've spelt the names right) for being such good sports and allowing themselves to be 'beaten up'.

Maybe you will see some of the cubs on a Saturday morning.

Thanks again.
